& deployment.

COST-EFFECTIVE
Essential VAR
technology at lower
cost.

FVS solution : Our all-in-one box solution

KEY BENEFITS

- Integrates video and audio (VOKKERO).
- All-in-a-box transportable hardware.
- Ingests up to 8 feeds: IP and/or SDI (4 or 8 SDI inputs as an option).
- Delivered with or without additional IP cameras as an option.
- Frugal wiring, can be operated or troubleshooted with minimum technical expertise.
- Remotely manageable.

SPECIFICATIONS/CONTENTS*

*To be adapted according to the specific needs of each competition.

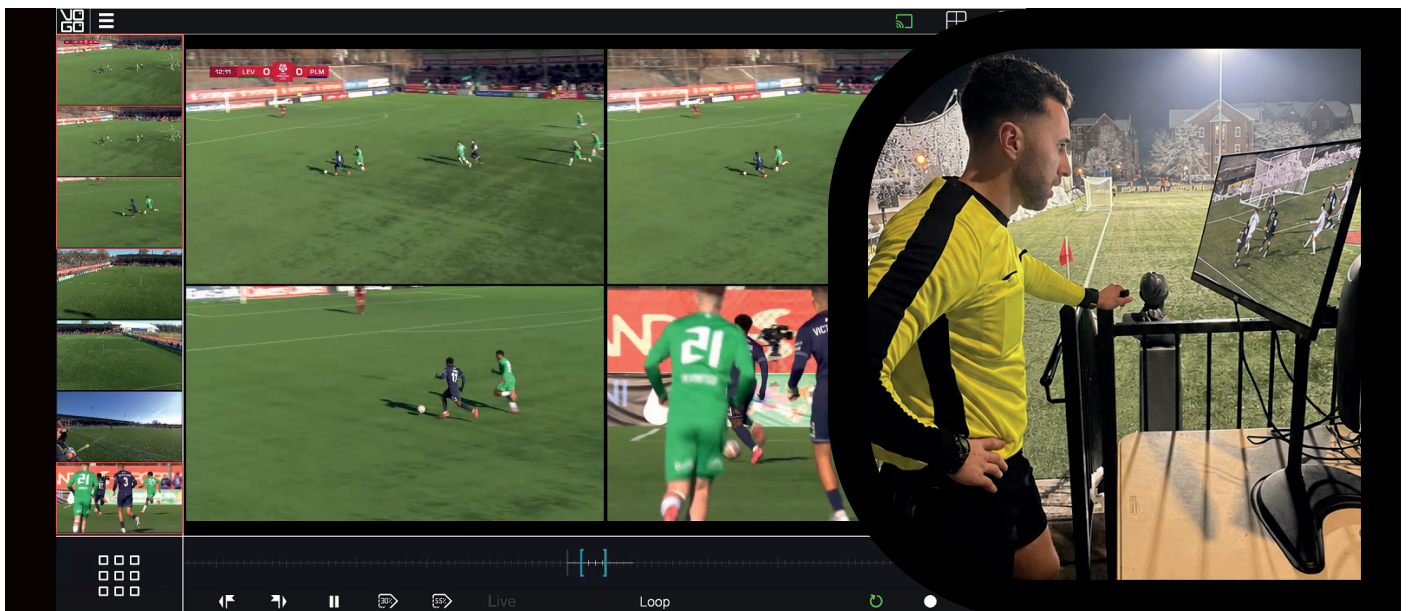

- One rolling rack under 35kg.
- One laptop for the video operator with one jog shuttle.
- One «server box» to be connected to the cameras source.
- Four or eight SDI BNC connectors as an option.
- Five available RJ45 connectors for connecting IP cameras.
- Six included VOKKERO ELITE radios and accessories.
- One «pitch box» with audio gateway and drawer and network switch.
- One embedded VOKKERO ELITE gateway to embed audio and video together.

OPTIONS AVAILABLE

- VOL software.
- IP camera fix on tripod.
- Differend kind of RRA.
- Referee review screens: desktop, totem, pyramid.

OUR INTUITIVE VAR PLAYER

- Very Intuitive usage.
- Usual replay features: zoom, slow motion, frame by frame, markers, loops, display presets...
- Customizable controls, loops and layout.
- Multiple user interfaces: mouse & keyboard, Jog Shuttle, tag buttons.
- Easy synchronization tool of camera feeds.
- Ability to load and record clips with embedded audio.
- Integrated VAR simulator for training.
- AI-enhanced Virtual Offside Line Technology

LIMITED TECHNICAL NEEDS AND ON-SITE INFRASTRUCTURE

- A 5m² RO station and review area protected from the sun and bad weather.
- 110/220V power supply / 0.5 KVA min.
- SDI cables between the server and the Broadcast van (or Ethernet cables between the cameras and the server if IP cameras are used).

Successful VOGO's Video Support implementations

- Football, Soccer (NCAA division).
- Futsal (Italian Championship).
- EHF top competitions.
- Rugby (Europe, EPCR).
- Polo (US).
- And many others...
